About Us

Bennett Wealth Group Pty Ltd (Bennett Wealth Group) is a provider of core, strategic financial advice – we work with our clients to assist them in meeting not only their financial but also their lifestyle goals. We understand that often people don't take the time to plan their financial future or they don't understand the complexities of superannuation, taxation or other legislation that may impact on their financial wellbeing. We want outcomes to maximise the income that they earn, minimise the tax that is paid, mitigate the risks and most importantly assist them in having the financial stability to achieve the lifestyle they desire.

We are committed to ensuring transparency in all of our dealings with clients therefore you have the right to ask us about our charges, the type of advice we will give you and what you can do if you have a complaint about our services. We have outlined below key information to respond to what we believe are your most likely questions. We expect a relationship with Bennett Wealth Group to be long term in nature and based on a mutual understanding of what is required of each party.

Not Independent

We do not charge you a fee for our advice on risk insurance policies as we are paid a commission by the product provider. Our advice on risk insurance is therefore not independent, impartial or unbiased. In all other cases, we charge a fee for our advice services and do not receive commissions or other payments from product providers.

From time to time where Bennett Wealth Group cannot recommend any appropriate products or where Bennett Wealth Group feels your best interest will not be served by the group, Bennett Wealth Group has a right to refuse provision of advice or services.

Bennett Wealth Group utilises an approved product list, i.e. a list of products that have been researched by professional research houses and also the Bennett Wealth Group advisory team and deemed as suitable for investment purposes. We will only provide recommendations to invest into products that have been included on this approved product list.

Information You Will Receive

You should be aware that you are entitled to receive and we will provide you with a Statement of Advice (SOA - document outlining the advice) whenever we provide you with any initial advice which takes into account your objectives, financial situation and needs. The Statement of Advice will contain the advice, the basis on which it is given and information about fees, commissions and associations which may have influenced the provision of the advice.

If you have an Annual Service agreement with us, after the initial Statement of Advice has been provided to you, we will provide you with either verbal advice or a documented Record of Advice (ROA) where the basis of advice does not significantly differ from the initial advice.

The ROA document consists of recommendations made, basis of recommendations, remuneration disclosure and important issues relating to the advice. The ROA will be kept on file for 7 years from the date of the advice. You have a right to request a copy of these documents within this time period.

In the event we make a recommendation to acquire a particular financial product (other than securities) or offer to issue or arrange the issue of a financial product, we must also provide you with a Product Disclosure Statement containing information about the particular product which will enable you to make an informed decision in relation to the acquisition of that product.

Fee Arrangements

Bennett Wealth Group is committed to ensuring transparency in relation to all fee arrangements. We aim to achieve this through the following:

- A written quote and engagement agreement will be provided before work commences
- Clients will approve the fee arrangements before the work is undertaken
- All fees, commissions and other remuneration arrangements will be disclosed.

The following table outlines the various types of fees that may be applicable.

Initial Financial Advice Process
<p>1) Discovery Meeting</p> <p>In this meeting we gather all necessary information for us to understand your situation better. This is generally a stimulating and thought provoking meeting where we identify your values, goals and objectives. From this meeting, we prepare the Terms of Engagement document, and arrange our next “Engagement Meeting”.</p>
<p>2) Engagement Meeting</p> <p>We explain the Terms of Engagement document, and restate your current position and goals and objectives. It is vital to ensure we have the correct information as this forms the basis of the recommendations we will prepare for you.</p> <p>The Terms of Engagement we will outline the Scope of Advice that we will cover and an estimate of the cost for the advice. This fee can range depending on the scope of advice and the complexity.</p> <p>If you proceed with advice, it is prepared, documented and presented in a Statement of Advice (SOA).</p>
<p>3) Statement of Advice Presentation Meeting</p> <p>The third meeting is to explain and present the SOA to you.</p> <p>Once you have reviewed the SOA and agree to take some or all of the advice, the Authority to Proceed (ATP) is then signed and any changes noted. This confirms that you wish for us to proceed with the recommendations. There will often be discussions that may result in minor changes to the recommendations, which should be documented on the ATP.</p>
Implementation Fees
<p>If you decide to proceed with our advice we may charge a fee or brokerage for the time we spend assisting you with implementation. We will let you know what the fee or brokerage will be in the SOA and obtain your consent prior to proceeding.</p>
Annual Service Fees
<p>We provide management and review of our client’s financial affairs and for this we charge an Annual Service fee. We will prepare an Annual Engagement Agreement to confirm the scope of work and fees payable, which must be signed by you before any work can be commenced.</p>
Commissions on Insurance
<p>We receive a one-off upfront commission when you take out an insurance policy we recommend. We also receive a monthly commission payment for as long as you continue to hold the policy</p>
Special Project Fees
<p>Periodically an existing client will have a “special project” which falls outside the work covered by the Annual Service fee. For example a Redundancy, Estate Planning, Insurance work or management of an inheritance, which will require a special project SOA.</p> <p>In this case, an estimate of the costs involved is provided prior to the work being completed. Fees charged can vary depending on the scope of advice and the complexity.</p>
